Working together for the social and economic good of our Key Peninsula

Ambulance service at issue again

by Keith Stiles

Last Wednesday evening's meeting of the Fire District 16 Commissioners and the public will probably not go down in anyone's book as a most happy time. If the 35 or so people, who gathered at Key Center Headquarters to talk about the new ambulance arrangement for hospital transportation by a private service, were concerned at the beginning, they were at least as concerned when they left.

Many of those in attendance were worried about the higher costs that they heard would come with private ambulance service - they heard it will cost around \$400 (and maybe more) to be taken to a Tacoma hospital. Some folks wanted to know why District 16 can't provide the kind of ambulance service that is needed - they were told by Commissioner Art Fenton that new Pierce County regulations were "geared to a level that we cannot currently provide." Other people wanted to know what it would cost to get District 16 in a position to provide the higher level ambulance service (Advanced Life Support) and they heard estimates from various quarters ranging all the way from \$152,000 to \$600,000 per year. Finally, there was a group who wanted to know who made all the new rules and regulations necessary in the first place - they learned it was a mixed bag of medical and political types down in the City-County Building in Tacoma. If they had inquired further, they would have learned that the State of Washington has an oar in this, too.

Commissioners Fenton and Fleming (Commissioner McMillan was absent) emphasized that, under the new arrangements, the private ambulance service (provided by Peninsula Ambulance) would be involved only in actual transportation to hospital. The current (public) FD16 ambulances would continue to respond to all calls and provide Basic Life Support Service (BLS). Both Commissioners also emphasized that FD16 is already facing a number of financial problems and, while demand for service increases on our Peninsula each year, the number of tax dollars is not keeping pace

Jim French, this year's keynote speaker for the Citizen of the Year Banquet.

Citizen of Year keynote Jim French, man of many talents

by Hugh McMillan

Jim French, the top-rated host of "KIRO MID-DAY" which airs Monday through Friday from 9:30 to noon on KIRO Newsradio 71, will be keynote speaker for the fifth annual Key Peninsula Citizen of the Year Awards Banquet this Saturday, January 21, at KP Civic Center.

In addition to being one of the most popular radio personalities in the Pacific Northwest, French is a novelist, playwright, musician and screenwriter. He is also heard in 27 other US listening areas and overseas on a syndicated radio program. He recently wrote his first novel and has a second in the works. He continues his interest in film writing (he has four movies filmed thus far) and from time to time plays jazz piano.

On "KIRO MID-DAY" he meets and interviews more than 3,000 newsmakers each year including noteworthy figures from politics, show business, industry, medicine and literature. He also interviews lesser known people whose accomplishments merit sharing with the more than quarter million listeners who tune in each week. The KP Lions are proud that Jim French accepted the Club's invitation to speak at the event.

Sharing the billing with Mr. French will be Peninsula High School's national award winning musical group RAZZ-MATAZZ and musicians from Peninsula High's excellent band.

Tickets are \$8 for the special gourmet Polynesian game hen dinner (Chef Frank Geary says "People better bring doggy bags, those are big birds!") and can be obtained at Sunnycrest Nursery and Puget Sound Bank in Key Center, DJ's Tire and Macon Bacon, or from any Lion. For information or reservations please call 884-4351, 857-6474 or 884-3319. Mixers and ice will be available when the doors open at 6:30 pm. Dinner will be served at 7.

KPFD saves five week-old cardiac arrest patient

by Hugh McMillan

Five week-old Rian Smith was found not breathing and in full cardiac arrest by his grandmother shortly after 1 pm on January 4. She began CPR immediately while another family member called 911. That was at 1:06 pm. By 1:07 pm, 911 dispatchers had radioed the Key Peninsula Fire Department who had an ambulance on the way at 1:08 and on the scene by 1:13 pm.

KPFD Lieutenant Tim Lemon and Firefighter Cordell Council, the first fire department personnel on the scene, knew their chances of saving the infant were not good but set to work at once. Council took over CPR from Rian's grandmother while Lemon set up specialized equipment and began bag-valve mask resuscitation with 100 percent oxygen.

Moments later, Battalion Chief Fred

Ramsdell and Command Officer Chuck West were on the scene and set about assisting with equipment. Working quickly in their usual highly professional manner, the KPFD team was soon gratified that little Rian was showing some pulse.

At 1:17 pm Peninsula Ambulance (PA), which provides Advanced Life Support (ALS) to KPFD, arrived on the scene with paramedic Eric Nelson. Within two minutes, or by 1:19 pm, Rian had been carried aboard the ALS-equipped PA ambulance by Lemon and Council and, with Lemon continuing to bag-valve, was proceeding at maximum prudent speed to Mary Bridge Children's Hospital. You can imagine the elation felt by Lemon, Council and Nelson when the

KP NEWS Deadline

The next issue of KP NEWS will
 come out on **Jan 30**. Please note the
 deadline for notices, articles and ads
 for that issue is **Monday, Jan 23**.

Pioneer Days Planning Committee to meet

The meeting will be on Wednesday,
 January 25, at 7:30 pm at the
 KP Civic Center, Vaughn.

Sewing class at KC Library

Sewing classes will be every Tuesday
 from January 10 to March 28.

The subject of the class will be "All
 Things Concerning Sewing: beginning
 knitting, casting and gauging." For
 information call 884-3703 or 851-2888.

To the Editor

To the Editor

At a recent meeting of Citizens
 Against Crime, Gary Lodholm of the
 Peninsula Light Company was a guest
 speaker. He was invited to stay for our
 business session and he chose to do so.

Among items discussed during the
 meeting was a need for improved lighting
 on the exterior stairway at the Purdy
 Detachment of the Pierce County
 Sheriff's Department, which is where
 CAC volunteers work.

Within a matter of days, our lighting
 problem was cured. A beautiful "turn
 night into day" fixture was installed at
 no expense to CAC, the Sheriff's Department
 or our landlord. It just appeared.

Admittedly, this took place during
 the holiday season and there were those
 who suspected the chubby, white bearded
 fellow in the red suit. But that was not
 the case.

Santa Claus turned out to be the
 Peninsula Light Company and his helpful
 Elf, Gary Lodholm. Not only did those
 wonderful people provide lighting to
 make our stairway safe for CAC volun-
 teers and deputies, they even arranged the
 wiring so that we don't pay to operate it.

Nobody asked them for the favor.
 They just did it.

Speaking for all CAC volunteers, I'd
 like to say thank you very much, Penin-
 sula Light and Gary Lodholm. And I hope
 you will accept honorary membership in
 Citizens Against Crime. As one group of
 volunteers to another, we're very proud to
 know you!

Hugh McMillan, President, CAC

To the Editor

The Board of Directors of the KP
 Lions Club wishes to thank the KP Civic
 Center Board of Directors for making the
 Civic Center available at no charge to our
 community on Monday, January 9, so that
 some 200 relatives and friends of the late
 Patricia Misenar could hold a memorial
 ceremony. It was a caring gesture and we
 feel we speak for the whole community
 when we express our gratitude.

KP Lions Club Board of Directors

Mental health professional to speak at Civic Center

Stuart Tursky, Coordinator of the
 Greater Lakes Mental Health Center in
 Tacoma, will present an informative and
 educational talk on Monday, January 23,
 at 7 pm in the Gold Room of the Civic
 Center, Vaughn. Tursky, a graduate of
 the University of Oregon, has been at his
 present position for six years. His lecture
 will center on "Stress and the Sandwich
 Generation." As a Master level psycholo-
 gist Tursky has specialized in gerentol-
 ogy. Mr. Tursky will answer questions
 on an informal basis after his talk.

Residents and friends are cordially in-
 vited to attend this free event.

Dear Key Peninsula community and friends:

Another holiday season has passed
 and, as usual, you have been terrific! We
 were able to provide Christmas baskets to
 100 families on the Peninsula, enabling
 them to have a nice holiday. I want to
 thank everyone for their donations of
 money, food and toys to help fill the
 baskets. There are so many of you who
 gave of your time as well and I certainly
 appreciate that; we never could have
 done the project without your help! I
 enjoyed, again, the task of chairing the
 Christmas Basket project and the real
 credit goes to everyone on our Peninsula
 who assisted with the many aspects of
 a project like this. Thank you, Key Peninsula.

**Helen Jamieson, Chairman, Christmas
 Baskets '88, Community House,
 Lakebay.**

To Key Peninsula Park & Recreation Board:

Another successful Christmas has
 come and gone ... and what a success
 it was! Everyone involved with our
 annual Christmas dinner for seniors
 was pleased with the results of our
 efforts. The guests were thrilled with
 it.

The use of the facilities at the Civic
 Center is such an important key to our
 party. We want to express our sincere
 thanks to the Board for allowing us to
 use it. Since our party has grown to a
 guest list of 100 we'll be starting plans
 for next year's dinner immediately and
 are hoping to receive permission as
 soon as possible to hold the dinner at
 the Center again.

Once again, let us say how much we
 appreciated your generous donation
 toward our party.

Mike & Joyce Salatino and staff

Petition against proposed road in Jackson Lake area

Citizens concerned for the quality
 of their environment in the Jackson
 Lake area will be circulating among
 their neighbors a petition for denial of
 the proposed county road from Jackson
 Lake to Home. Their reasons are clearly
 outlined on the petition and concern
 cost, quality of life, environmental
 impact and rate of development. For
 more information call Arleen Lonning
 at 884-9160.

New at Community House

The New Year brought a new look
 to Community House at Lakebay when
 the team of Rhys Wood, Earl Saxer,
 Maurice Whitney and Dick Messing
 went to work on entrance steps for
 the building. Railroad ties, donated
 by Jeff Charboneau, were laid and
 backfilled to form an attractive
 curved terrace. Sources to the NEWS
 tell us that the next project is to
 build a wheelchair ramp at the main
 entrance.

Services held for Pat Misenar

by Keith Stiles

Members of many different segments
 of Key Peninsula life gathered at the
 Civic Center on Monday, January 9,
 to pay respect to the memory of Pat
 Misenar, victim of a brutal year-end
 murder in her Rocky Bay area home.
 At the request of the family services
 were led by community activist Rhys
 Wood, who described Pat as "the little
 dynamo" who conducted a "one-person
 war against abuse."

Those attending included a large
 delegation of Cootiettes, many mem-
 bers of Key Peninsula Lions, the Fire
 District 16 Firefighters Association,
 a Bremerton auto-racing group,
 participants in her alcohol and drug
 rehabilitation groups, personal friends
 and the members of her family. Each
 of the groups represented a portion
 of her life activities.

As part of the memorial service,
 Ed Paine sang "Amazing Grace" and
 "How Great Thou Art," accompanied
 on the piano by Joyce Case, and
 Jaylaa Rose recited a poem she had
 written. Members of the Lions noted
 the death of a member by the draping
 of the club's charter and Ailene Hale
 led the Cootiettes in presenting
 prayers and flowers. Assisting in
 the preparation of the memorial
 service were members of the Fire-
 fighters Association as well as the
 many friends who provided food
 for a reception in the Gold Room
 immediately after the program.

Ambulance issue...

continued from pg 1

- it may, in fact, fall considerably
 short. Commissioner Fleming said that
 funding for any new Advanced Life
 Support (ALS) Service that the District
 might undertake will have to be steady
 and cannot be turned on and off every
 year or two on the whim of the voters.
 Both Commissioners agreed that, be-
 cause of a tax dollar shortage, it was
 necessary to move the cost of ALS
 transportation to the user rather than
 from Fire District dollars. Commissioner
 Fleming said "The bucks just aren't
 there and it is going to get worse!"
 It was noted that with the change to
 private ambulance transportation
 our Peninsula area will take another
 step toward becoming more like other
 parts of Pierce County such as Puyallup
 and University Place. Art Fenton
 observed "We are not a rural commu-
 nity any more, we are becoming a
 University Place as we grow. We may
 not care for this growth, but that is
 the way it is."

If those in attendance had a more
 general complaint it seemed to center
 on the lack of communication on the
 part of the Fire Commissioners, even
 though the Commissioners complain
 that no one ever comes to their
 highly advertised public meetings.
 For those still dissatisfied another
 public meeting was promised in the
 future - but no date was actually set.

In other news from the meeting,
 it was noted that there are both
 water supply and building problems
 at the Longbranch fire station and
 that something is going to have to
 be done down there soon.

SAVE Store moves down the hill to Purdy

The S.A.V.E. (Seahawk Academic and Vocational Education) Thrift Store finally occupies the old fire station (below Peninsula High School) in Purdy. Their Grand Opening will be Saturday, January 28. Opening ceremonies with celebrities and a ribbon cutting will begin at 9:30 am, the store will be open 'til 2 pm.

SAVE was opened four years ago in a portable above Peninsula High by the PHS Scholarship Committee to raise funds for scholarships for PHS students. After two years they gave \$6,500 in scholarships. Then, on Labor Day weekend, 1987, the portable burned down. The support of the school district and community allowed the Committee to reopen in another (smaller) portable within three weeks. Donations continued so that \$8,800 in scholarships were given to the class of '88.

During the last year or so the Scholarship Committee has made it known that the fire station, empty since November 1987, would make a great store. The land is owned by the school district which loaned the property to Fire District 5 for as long as they needed it for a fire station. The property, improved with a concrete block building, was given back by the fire

commissioners and now Peninsula School District is renting it to the Scholarship Committee.

For the past six months the Committee has allowed Peninsula co-curricular parent groups to sell in the store for a month at a time. The profits are split 50/50 after expenses, but the first \$250 earned by the group must go toward a scholarship within their activity whether it be football, debate, band or track. This is a way to spread the work, to guarantee scholarships to co-curricular activities and to spread the word about the store.

It is the goal of the Scholarship Committee to increase the store's open hours but that means more donations and more commitment from activity parents. Currently the store is open Thursdays, Fridays and Saturdays from 10 am to 2 pm. The larger space of the fire station should help growth.

The public is invited to help the Scholarship Committee celebrate the new opening of the SAVE Thrift Store on Saturday, January 28. Food will be served and drawings for goods will be held. Donations are welcome. This is also a great time to bring in Uddenberg Thriftway receipts.

Business Briefs

KOMO-TV ran a nice segment on the Key Center Trading Post the other evening - showed Don Fegley standing on one of his oven doors!

Avon Gay will not be working in fire insurance any longer. She started on Monday, January 9, as a receptionist for the Legislature in Olympia for a 120 day session.

Pat Blundell and brother-in-law Doug Blundell are planning the Easter promotion for our local business association (the KPBA) this year; Jonna Gosnell of Tacoma Telco is the new secretary of that organization.

Key Western Building Supply tried Sunday hours last year and they worked so well they will keep them.

Jeff Charboneau has been offering a free half-yard of sand to help folks hold their cars and trucks on the road on slippery days.

Upcoming school holidays

Our schools will be closed for a day each in January and February to honor three men who made a profound impact on our country: Martin Luther King, Jr., Abraham Lincoln and George Washington.

Martin Luther King's birthday is celebrated Monday, January 16. Presidents' Day is observed Monday, February 20.

Teachers will be reviewing the achievements of these three men so these national holidays will become more than just a day off from school. We hope you will share some of this history with your children as well.

Emergency repair work causes power outage

Emergency repair work to a power line by Peninsula Light Company caused a major electrical power outage to most of the Key Peninsula starting about 3:30 pm Tuesday, January 10. A spokesman for Peninsula Light told the NEWS that a problem had come up suddenly in the system feeding most of the area and "we felt repairs had to be made immediately to keep things from getting much worse." Residents received about three hours warning when the Peninsula's new FM radio station, KGHP-FM (89.9 Mhz) broadcast the news of the emergency repair work.

Vaughn Post Office change

After 16 years with the postal service, the last four of them as Postmistress at Vaughn, Bea (Dolly) Wilson has retired to allow time for other activities in her life. Bea formally became "the lady in charge" at Vaughn in February of 1985, following 12 years of other duties there. For the next two months the office will be in the care of Pat Cokeley who normally works in the post office in McClary. It is expected that a new postmaster will be appointed to the Vaughn office in about March of this year.

When asked about her plans for the future, Bea said she hopes to get in some travel after taking care of some more immediate needs.

Peninsula movings and shakings.....

Monday, January 16 ...

Ruth Circle has lunch and meeting at noon in Longbranch Church Hall.
Evergreen Eagle Boosters meet at 7 pm at school.

Obituaries

It is with deep regret that we report the deaths of Peninsula friends and neighbors...

Patricia Misenar, a resident of the Rocky Bay area, died December 29, 1988. She was born in 1934 in Chicago and later lived in Wellston, Michigan. Patricia came to the Tacoma area in 1945 and moved to the Key Peninsula about 11 years ago.

She is survived by her mother Rose Kelley, son Sam Olson, daughter Rose Graham, brothers Bruce and Frank Kelley and two grandchildren. She was active in community projects and was a volunteer counselor for area youth recovering from drug and alcohol addiction.

A memorial service was held January 9 at the Key Peninsula Civic Center. A memorial fund is being established in her name by the Key Peninsula Lions Club of which she was a member. The donations, which will go to continue her work, may be sent to Marvin Keizur, Treasurer, Key Peninsula Lions Club, 13215 139 Ave. KPN, Gig Harbor, Washington 98335.

Culver Lane "Cully" Coffman (77) died on January 7, 1989 in Lakebay. Cully moved to Tacoma in 1919 and started careers in both flying and as a deckhand with Olsen Tug & Barge. He

moved to Seattle in 1949, earned a Captain's license and began working for the Port of Embarcation as a Captain on tugboats in Puget Sound. He was a resident of Lakebay for 13 years. Cully moved to Bellevue in 1950 where he was a flight instructor in the private sector and was employed by the Washington State Aeronautics Commission as a Safety and Education Officer. He also piloted aircraft for several corporations during his flying career. He was a member of Tacoma Masonic Lodge #22.

He is survived by his wife Elsie, his son Steven of Boring, Oregon, his sister Vivian Todd of Tacoma and many nieces and nephews.

Memorial services were held at Lakebay Community Church.

Mercedes (Mercy) Wagstaff (78) died January 7, 1989 in Home. She was a homemaker and resident of Home for 11-1/2 years.

Mercedes was preceded in death by her husband Burke in June of 1986. She is survived by daughter Mavis Welander of Home, son Jerald Beebe of San Leandro, California, 15 grandchildren and 17 great-grandchildren.

Services were held January 10 at Mountain View Memorial Park in Auburn, Washington. Remembrances (in lieu of flowers) may be made to Key Peninsula Community Service, 17006 Hoff Rd. KPN, Home, WA 98349.

Public asked to help in search for rape suspect

Pierce County Sheriff's Department in Tacoma is asking for help in apprehending a white male in his mid-20s, 5'10" to 6', sandy to brown hair, medium build, mustache, unshaven, wearing acid-wash blue jeans, white tennis shoes, and ski jacket and light-weight jacket of unknown color. He is suspected of rape.

The victim, a white female aged 17,

Rape suspect drawing by Lorry Minturn

states she accepted a ride from the suspect on the Purdy Bridge on December 31, was driven to the Pole Line Road area, threatened with what appeared to be a plastic toy gun and raped. Suspect was driving a small, late model hatchback or station wagon-type vehicle, dark color - possibly blue, with gray interior. Rear seat contained clothing and garbage.

Anyone having any information about this incident or the suspect is asked to call 857-3700 or dial 911.

Early morning fire destroys north end outbuilding

An early morning fire on Tuesday, January 10, destroyed a major outbuilding at a residence just west of the Wauna Post Office. The first dispatch was sounded at approximately 6:34 am and several Fire District 16 units responded. Apparently many different people saw the flames, resulting in multiple calls to 911.

ANNOUNCING OUR FAMILY PLAN

NO INSURANCE? NO PROBLEM!! READ THIS!!!

We are pleased to inform you that we now have a financial plan in place for patients who have no insurance coverage of any kind for Chiropractic care and also for patients who have exhausted their insurance coverage for the year. The plan works this way:

One Family Member	\$55.00 per month
Two Family Members	\$65.00 per month
Whole Family	\$75.00 per month

The plan covers adjustments only. Any x-rays, exams or supports during the month would be an additional charge. Also, as you get better and your adjustments decrease during the month you would pay your monthly rate or \$20.00 per visit, whichever is less. If you don't come in during the month, no charge. Not good with any other offer.

Please call if you have more questions. Also check the KP NEWS to save on exams and x-rays!

Fire Dept. looks for members

by Captain Tony Brentin

A medical emergency, such as an accident or fire, is a traumatic and sometimes tragic event. Nearly every day such an emergency occurs on the Key Peninsula. Most citizens are unprepared, neither trained nor equipped to handle the situation themselves. The men and women of the Key Peninsula Fire Department are trained and equipped to respond and the majority of these trained responders are volunteers.

The Key Peninsula Fire Department is in need of additional community members to become volunteer firefight-

ers. The Fire Department provides the equipment and training to do the job effectively and safely - the volunteer provides the time. The tasks are not always easy but they do provide many rewards, including the satisfaction that you have given a little extra to make the Key Peninsula community a better and safer place to live.

If you are between the ages of 18 and 45 years, in excellent health, live on the Key Peninsula and are willing to make the time commitment to do the job right, the Fire Department may be looking for you. Join the 54 men and women who are currently volunteer firefighters. Members are needed in all areas of the Key Peninsula but there is special need in the Home and Longbranch areas.

The Fire Department is currently accepting applications for volunteer membership. Applications may be obtained at the Headquarters Station in Key Center - ask for Lieutenant Lemon. There will be an Open House at the Longbranch Fire Station on Thursday, February 2, from 5:30 to 9:30 pm and again on Saturday, February 4, from 10 am to 6 pm. Firefighters will be on hand to give tours and provide more information about the fire department.

In 1988 the KP Fire Department answered 921 requests for emergency help. As this community grows, so will the need for trained emergency personnel. Be a Very Important Person in our community - become a Volunteer Firefighter.

KPFD saves child...

continued from pg 1
 little fellow began to breathe during the drive. And that was nothing compared to their feelings when, upon arrival at Mary Bridge, little Rian was moving and crying.

What turned an almost certain tragedy into the miraculous saving of baby Rian's life can be credited to the facts that his grandmother had taken CPR training,* that no time was lost in calling 911, and that KPFD's EMTs are positively the best to be found anywhere.

Many thanks, Tim, Cordell, Fred, Chuck and Eric, for a job extremely well done. You're something this community can be proud of and very grateful for.

*If you want to learn CPR (cardiopulmonary resuscitation) call the KP Fire Dept. at 884-2222.
