Community Meal Kits Available

Through our partners at [YMCA Camp Seymour](#), the Greater Gig Harbor Foundation has an exciting opportunity for our community through **October!**

As part of Sysco's community response strategy to the COVID-19 pandemic, the company has committed to donating millions of meals to communities across the country. And, because of their hard work in the community and support of programs as our Shelter In Place Meals (SIP'M) for seniors, Camp Seymour was one of a handful of regional organizations selected by Sysco to receive an offer of Meal Kits for our community through the month of October.

Meal Kits are available, free of charge, to interested families and individuals living in our greater Gig Harbor and Key Peninsula community.

Each kit contains:

- 1 – Box of Protein (Chicken Taco Meat and Chicken Patties, cooked) 5 LB EA
- 1 – Product Box (Selected Produce from Packer) 7-10 LB EA
- 1 – Dairy Box (Shredded Cheese, Liquid Egg and Butter) 5 LB EA
- 1 – Gallon of Milk

Kits will be available for Wednesday pick-ups at Camp Seymour and Thursday pick-ups in Gig Harbor.
