Evergreen Library was scheduled to close January 1, 1976, but due to people response an extension has been granted by Pierce Co. Library Board until June 1, 1976. At this time the Board will review the library's status and reach a decision concerning its further existence.

You must pay county library tax whether or not this service is available in your area. Visit your library and discover the wealth of knowledge available to you.

Friends of the
 Evergreen Library

The PennAnts Cootiette Club # 609 has appreciated the opportunity of meeting at the Key Peninsula Civic Center these past eighteen years and wish to thank the board members for their cooperation. We also hope we have fulfilled our pledges in helping our community. We are sure that the community is aware that we are a volunteer organization and help and assist the needy in and around our area, we enjoy these things and hope to do more in the future and hope that other organizations are participating in the same way. We remember when and how this Civic Center became a part of us and who spent many hours to make it what it is today.

Another Cootiette year is beginning. Lets all make it a "Goodie" for our new Chief Greyback. Can't reveal her name at this time but know she is a good worker, and will do her very best. The next regular meeting will be the Third Thursday of February at which time we will have election of the new officers.

BOOK REVIEW

The new novel "SHOGUN", by James Clavell is a narrative of Japan in the year 1600. The author succeeds so well in portraying the ideals and characteristics of the Japanese during that era that the reader finds it easy to accept many of their customs.

One of the principal figures, John Blackthorne, an Englishman, is soon totally involved in this Oriental culture. His experiences in attempting to control the trade routes between Japan and China, make it an exciting and fast-moving story.

Toranaga, one of the feudal Lords of Japan, plays an important part in Blackthorne's plans, as does a beautiful Japanese, Lady Mariko.

SHOGUN is well worth reading, not only for the story, but for its historical background. It is available, by order, at the Library.

The Vaughn Library will have a used book sale in the Spring. If you have books you would like to have picked up, call Margaret Werner at 884-3387.

VAUGHN GARDEN CLUB

The Vaughn Garden Club had it's December meeting, which is always a Christmas luncheon, at the home of Evalyn Nederlee. Evalyn is a charming hostess and her home was beautiful with festive Christmas decorations through-out. Everyone gathered around the Christmas tree in the basement recreation room for lunch which was prepared by the hostesses, Florence Jones and Opél Donovan. Christmas cookies, brought by each individual member were served for dessert. Insted of the usual exchange of gifts this year it was decided to give money to be donated to the Ambulance fund.....\$39. was given.

Kelly Babcock welcomed the club to her home for the January meeting, Thursday the 15th. The meetings begin at 10:30, followed by lunch at noon. Each member brings a sandwich and the hostess prepares coffee, tea and cookies or cake. Sue Thomsen assisted Kelly as hostess.

Pat Blundell attended the meeting as she interested in getting information about the club for an art-

icle she is preparing for the Peninsula Gateway.

Since there was a vacancy in the office of Vice-President, Evalyn Nederlee was unanimously elected. Also, Marylou Moore consented to be representative for the Civic Center board.

The morning program was a review of Ruth Stout's book, "The No Work Garden", given by Evalyn Nederlee - most interesting and informative.

The February meeting will be held at Poole's University Place Store. Mr. Guhr will talk on New Things for Gardeners. At noon the group will go to a nearby restaurant, The Pine Cone, for lunch, after which they are invited to Clare Shaver's studio where they will learn about the larger-than-life piece she is making for Point Defiance Park. The sculpture is a Tacoma Bicentennial project. A very full day, I'd say! But should be fun. Anyone interested in belonging to the Vaughn Garden Club is cordially invited to come to any of the meetings. Call any member for details as to where the meeting is or anything else you'd like to know.

UPPER SOUND GRANGE NEWS

Upper Sound Grange 705 met Jan. 2 to start off the New Year. We meet the first and third Friday night of each month. We usually refer to our first meeting as fun night. The evening began with a potluck dinner at 6:30 p.m., after which we were delightfully entertained by Mr. Ted R. Nault with a comic monologue. Thank you for being with us and sharing your talent. Members that were absent sure missed a treat. We hope to continue to enjoy our first Friday nights. We have plans for recreation and a more varied program to include more community involvement.

Plans are underway for a special program in March that all are invited to attend. There will be more on this next month. Be sure to watch for this special program.

The Grange Auxilliary met on Jan. 13 at the home of Della Green. Present were Edith Brown, Sylvia Kearney, Ina McIlvoy, Lillian Farlow, Elsie Olson, Nita Glass, Frances Durward and Dorothy Brynt, Southwestern District Director of Women's Activities. Lunch began at noon with a business meeting following. An election of officers was held. President - Della Green, Vice President - Ina McIlvoy, Secretary - Nita Glass, Treasurer - Sylvia Kearney. Plans were made for making a Bicentennial Quilt and work has started on it. The next Auxilliary meeting will be at the home of Ina McIlvoy on Feb. 17 at 12 noon. All Grange ladies are members and visitors are always welcome.

On Jan. 17, the Southwest Area Conference was held at Adna Grange in the Adna Community. We were fortunate that all officers of Upper Sound Grange 705 were able to attend and information gained will surely benefit each officer and the Grange throughout the year.

Business meeting of Jan. 20 got off to a good start with C. Raymond Durward, Master for 1976. Plans are being made for a very active and interesting year. Let us all remember to support our Grange and Grange Master with our attendance. It will be appreciated by all officers.

The Feb. 6 recreation night will bring us guest speakers from the Gig Harbor Grange to talk on the advantages of Junior Grange for young people from five to fourteen. Everyone in our area is invited to attend. Parents do not have to be Grangers for children to become Junior Grangers.

The evening will start at 6:30 p.m. with a pot-luck dinner in the Gold Room of the Civic Center in Vaughn.

The business meeting will be Feb. 20 with a pot-luck dinner at 6:30 p.m. The meeting begins promptly at 8 p.m.

Remember, ~~More~~ on our March 5th program next month.

January was recharter month for the Cub Scouts. Cub Pack 213 under the sponsorship of the V.F.W. Post 4990, rechartered 30 cubs and 16 adult leaders for 1976.

The Pack meeting for January was held on the 22nd in the Gold room of the Civic Center. Den 3 presented a puppet show on "Safety First".

A second Febelos den will begin meeting in February at Evergreen School on Wednesdays after school. Any 10 year olds in the Evergreen School area who would like to join may contact Mrs. Larry Nichols or Mrs. Marvin Frye for information.

The Cub Pack visited the Tacoma Art Museum on January 23rd to see the Exhibit on Whales, "Thar she blows".

Coming Events; February is Scout Month. February 7 thru 15 Scout week February 26 "Blue and Gold" dinner and Pack meeting will be held in the Auditorium of the Civic Center. This will be a potluck dinner.

The fire alarm system which has been installed at the Civic Center will do no good if those hearing it do not turn in the alarm to the Fire Department. The alarm went off accidentally and no report was turned in at all. If it is found to be false and no fire is burning, the department should be notified of this fact. If it is a test, they will know this.

Please be AWARE and tell your friends. It is your Civic Center.

Square dancers are beginning to put together programs for a very busy Bi-Centennial year. Various organizations have requested exhibitions in several local areas. In Tacoma there will be a "George Washington Ball" which will be held at the Union Station during the week of February 26th and all square dancers are welcome.

Key Center's Bi-Centennial celebration is progressing with square dancing scheduled for Saturday, May 22, between 3 & 4 pm. with Bob Walsh calling. On Sunday May 23, between 2 & 3 pm., Chuck Wiler from Square Steppers will do the honors calling first for the pre-teens, then teenagers followed by the adults.

The Square Steppers Beginners class started off on January 8th with 5 squares of interested participants. They should be advanced far enough to take part in these celebrations.

The clubs dance on the 10th was a huge success with two visitations arriving from other clubs, one from the Seattle area.

Their next meeting will be held at the home of Bob and Grayce McGilvery in Olalla on February 8th at 2 pm.

On February 11th, for their Valentine's day "Sweethearts Ball", they will have Kappie Kappenman from Sumner as guest caller. He will be bringing his contingent of dancers and it should be a great success.

BRIDGE CLUB

The December 16th Civic Center game was successful - There were 7 tables in play which netted \$28. This total combined with funds from Bridge Club treasury resulted our giving \$ 76. to the center.

Several of our members are ill, but we hope for a good number for the January 20th membership game. National point awards for this will be high. Any interested bridge players are welcome. Any Tuesday at 7:30 we are in the Gold room.

April Hoff is our newest member and we are happy to have her.

The Key Peninsula Civic Center Teen Club is having a contest to sell Civic Center Bumper Stickers. Anyone up to 18 may participate and the prize for selling the most stickers is a pocket computer. Contact the teen representative in your area to obtain bumper stickers:
