FATHER'S DAY

June 22

GALA EVENT AT THE KEY CENTER CORRAL

Come one and All!! Join in the fun!! The merchants at the K.C. Corral Key Center announce a "Spring Round-Up" featuring a "little touch of the Old West." The Round-up will be held Saturday, June 7 and Sunday, June 8, 1980. The fun is scheduled to begin each day at 1:00 PM and will continue until 5:00 PM. Each store will have special items on sale.

A main event in the fun will be a Tug-of-War contest between the merchants of the K.C. Corral and other merchants in Key Center. Also planned are Horse Shoe pitching and Watermelon seed spitting contests for all ages. There will be balloon blowing, water balloon and carry peanuts on a spoon contests for the kids. Prizes for the winners are being donated by the merchants of the Corral. Arts and Crafts demonstrations are planned for both days. Local author Cora Chase will be available to autograph copies of her book "The Weed Eaters Cookbook" and Square Dancing demonstrations will be presented Sunday at 2:00 PM by the Skirts-N-Flirts Square Dance Club.

A schedule of events will be available at your local stores prior to the Round-up weekend.

ARTICLE DEADLINE

The deadline for the July issue article has been moved up to June 15 to allow for our vacation issue.

Please drop them at Walt's or mail to: Newsletter, P.O. Box 82, Vaughn, Wa. 98394 by June 15! Thank you!

**JUNE 14
FLAG DAY**

NEW SALMON

A ribbon-cutting ceremony by Governor Dixie Lee Ray at the Minter Fish Hatchery will dedicate a new process. Fisheries Director, Gordon Sanderson, will also attend the ceremony June 19.

This process is the result of an experiment using hard-fighting Atlantic salmon in the planting program. The salmon were kept at the Hupp Springs rearing ponds until mid May, when the screens were pulled and the fish allowed to migrate to Puget Sound. Adults returned after about three years, at weights of 10 to 20 pounds, and some survive after spawning.

Atlantic salmon are members of the trout family and are considered "game fish" in Washington.

KEY PENINSULA ADVISORY COMMITTEE

With an invitation from the Commissioners of the Key Peninsula Park and Recreation District, 12 area citizens were present at the first meeting of the Key Peninsula Advisory Committee to discuss "green belt" areas.

Members present were Bob Schottland, Randy Carr, Chairman, Mike Tovey, Don Johnson, Susan Ritchie, Randy Babich, Shirley Marietta, Libby Ackley, Avis Whitfield, Margot Fleming and Carol Foster. Special guest for the evening was Terry Legg from the Department of Natural Resources.

Purpose of the committee to provide guidelines for establishing "green belt" areas on the Key Peninsula so that the remaining land in the area is not completely "denuded."

Another meeting for this group has been scheduled for May 28 at 7:30 p.m. at the Civic Center. Anyone interested in joining the group may contact Randy Carr in Longbranch.

8TH GRADE PROGRAM CHANGES LOCATION

The school program in the Peninsula High School building will include 200 8th graders for the 1980-81 school year only. The following year they will attend the new Key Center Middle School.

Dave Wheeler, Vice Principal, said a successful orientation was held for the parents recently. The administration was able to answer several of their concerns:

1. That the 8th grade classes will be in a separate wing, but they will use the high school facilities for such classes as P.E., shop, library and band.
2. They will have a separate lunch hour.
3. They will continue in the existing 8th grade curriculum which will be a relevant link between Jr. and Sr. High programs.

There are already experienced staff who will teach the 8th graders. On the other hand, the extra-curricular class teachers in band, P.E., Shop, are happy that they will have this class of 86 for 5 years to build excellent programs with. There will be workshops to prepare the 8th grade teachers this summer.

The curriculum will be the same as at Goodman - 5 required subjects (English, Math, Social Science, Science, and P.E.) and one elective. This is an excellent opportunity for students to prepare for High School as genuine Seahawks. They will have their own sports teams but will be "Seahawks" as such.

The staff is looking forward to the coming year. It will also be a shorter trip for Key Peninsula students.

Mrs. Elsie Rippon, formerly of Delano Beach, was honored by her family on Mother's Day. The afternoon affair was held at the Minterbrook home of Stan and Eleanor Rippon, son and daughter-in-law of Mrs. Rippon.

In addition to the host and hostess those who attended were granddaughter Mrs. Alice Macy and sons Scott and Mark; granddaughter Mrs. Jeanne Sagle, husband Brint and sons Bowie and Jeremy; granddaughter Mrs. Margaret Listoe and husband David, and grandson, Bill.

Cards and gifts were also sent from grandson Capt. George Rippon, U.S.A.F. and wife Donna in Louisiana, and granddaughter Mrs. Dorothy Marr and husband Edward in Silver Spring, Maryland.

Mrs. Rippon, 87, and her husband Frank were residents of Delano Beach from 1944 to 1959. At that time they moved into Tacoma and four years later moved into the Franke Tobey Jones Home in Tacoma.

YOUR PREZ SEZ

How fortunate we are to live in such a beautiful area! We wish to offer sympathy to those who are in difficulty from the fallout in eastern Washington. Any suggestions that we can use to help will be appreciated. For us, it is hard to imagine what problems they are having -- the forces of nature can be most powerful.

In order to keep our own area beautiful, we ask that you be sure to put all items into the Goodwill boxes on Civic Center property. They can use all our donations, but things that are spoiled by being out in the rain are of no use to them and an eyesore to us. If you wish larger items picked up, just call them and they will be happy to come to your place.

Help will be needed in our fireworks stand, beginning June 28 and I know that many of you will volunteer. Profits are used for special projects at the Center. We are also in need of a self-contained travel trailer or motor home to be parked there so that someone can stay overnight. If you know of one we might use, contact Ray Durward, 884-2355.

Finally, to all Board members: if you cannot be present at a Board meeting, send someone to represent you. Last month we were one person short of having a quorum and this prevented us from transacting some business. We hope it will never happen again.

The Key Peninsula Newsletter is published monthly by the Key Peninsula Civic Center as a community service and Board project. It is staffed by volunteers and solicits news of general interest to the community.

PENINSULA GARDENING

BY Valda Young

I have probably been telling you too often about the routine tasks that seem endless in a garden. I am always behind in getting them done. The month of May, however, was so lovely that I was totally blind to the weeds and unfinished tasks.

Never have the rhododendrons and azalea bloomed so profusely and the days warm enough to enjoy their beauty. If you want good bloom again next year, remove all those spent bloom and forming seeds.

OLD TIMERS PICNIC

The Old Timers and the Key Peninsula Historical Society will hold their annual picnic on Sunday, June 29 at the Dick Radonich home in Longbranch. It will be a potluck from noon on, and everyone is to bring his own dishes and silver. If it rains, it will be held at the Longbranch Improvement Club.

THE PENINSULA SOCIAL CLUB

The Peninsula Social Club of Home will hold a potluck dinner and meeting in the social room of the Longbranch Community Church on Monday, June 9th at 6:00 p.m.

Our community needs an active group to address themselves to the problems of the area. All residents of Home are invited to come to the meeting. For further information, call 884-3727 or 884-2632.

TCC CLASSES

CLOSE TO HOME

Tacoma Community College is offering the following classes on the Peninsula the summer of '80! Located at the Gig Harbor High School there will be Aquatics, Basic Sign Language, Business Marketing, French, Human Education, Mathematics, Modern Dance and Slimnastics. For information or registration call the High School or TCC, 756-5018.

PENINSULA KIDS
NEW OFFICE HOLDERS

Newly elected officers at Peninsula High who are from the Key Peninsula are: ASB Treasurer, Terri Radcliffe, ASB InterHi Rep. Kathy Lique.

Senior Class Vice Pres. Scott Macy, Treasurer, Tami Brentin; Junior class Pres. Cheryl Lewellen, V.P. Herb Russell, Sophomore V.P. Heidi Hostetler.

GRAND OPENING

Arlene "Teddy" Petersen, the new owner of Teddy's Country Health Foods, announces that the grand opening of her store will be held on Saturday, June 7 and Sunday, June 8, 1980. The store is located in the K.C. Corral at Key Center.

Teddy has several special guests invited to the grand opening. Local artist and author, Eleanore M. Sterns will be autographing her book "Herbs are Poetry." Cora Chase will be autographing her book "The Weed Eaters Cookbook." Tara Van Meter, who has recently moved to this area from New York, will display examples of her Stained Glass work. Marjorie Mankin will come out from Tacoma to display her paintings. Teddy has several examples of Marjorie's work currently on display in the store. The artists will be available during the afternoon hours on Saturday and Sunday.

Teddy plans to have special prices on several products for the weekend. She is also introducing Kefir, a liquid Yogurt, to the Key Peninsula. There will be free samples of Kefir, several varieties of Tea and Carob Cookies available. Teddy has many new products in stock as well as some lovely gift items. Some of the stores special features are fresh eggs and milk. She also has fresh baked goods daily. The store hours are: Mon-Thurs. 10-6 and Fri.-Sat. 10-7.

KEY PENINSULA FIRE DEPARTMENT EMERGENCY CALLS

May 1, the ambulance was called to the residence of Richard Messing of Lakebay. They found Mr. Messing suffering with a cardiac. He was treated and transported to Madigan Army Medical Center.

May 3, David T. Robinson of Palmer Lake was treated for a wound in the head and taken to Harrison Memorial Hospital.

May 7, the dispatcher received a call from Gerald Baker reporting a brush fire that got out of control. Firefighters responded and put it out.

May 8, Mrs. Rose Kelley of Rocky Bay was transported to Tacoma General Hospital.

May 8, aid personnel responded to the intersection in Key Center where there was a motorcycle accident. The rider refused to give his name and refused treatment.

May 9, a call was received reporting a one car accident at the Home bridge. Aid personnel responded and found Denise Johnson of South Bend, Wash. had left the road and struck a tree. She was treated at the scene and transported by district ambulance to Harrison Memorial Hospital, Bremerton.

May 10, Steve Vizina of Gig Harbor was treated at the scene after colliding with a power pole. He was taken to Tacoma General Hospital.

May 10, Brian Johnson 3, of Tacoma was treated at the scene with a laceration on the head and taken to Marybridge Childrens Hospital.

May 10, Mr. Kenneth Davick of Kent Wash., was treated at the Key Center fire station for a large cut in his hand and taken to Tacoma General Hosp. by ambulance.

May 11, aid personnel responded to the intersection in Key Center where a car struck a motorcycle in the rear and a Bill Linberg of Gig Harbor was injured. He was treated at the scene and transported to Tacoma General Hosp.

May 10, Grace Meredith was taken to Tacoma General Hospital suffering from convulsions.

May 13, two large stump piles were found burning and starting to spread and no one in attendance: the district personnel controlled the burn & called the Dept. of Natural Resources.

May 17, a car fire in Longbranch resulted in totally destroying Rolf Knight's car. The fire was contained by the firefighters.

May 17, a stump fire, next to the bulk head at R/F Kennedy Park, was put out by firefighters from the Longbranch station.

May 17, District #16 investigated a fire that was out on arrival at the Bill Evans residence, in Home, where Mr. Evans had been spraying stain on the house and the paint gun came in contact with bare electric wires causing a spark. Damage was negligible.

May 17, Curtis Russell of Lakebay had his car damaged by fire. It was out on arrival of firefighters.

HEARING TESTS

Free hearing tests will be offered at the Key Peninsula HEALTH CENTER on June 10 and 11 from 9:30 AM to 5:00 PM. Anyone wishing to use this service should call the Health Center at 884-2757 for an appointment. It is not necessary to be a regular patient at the center to be seen. The service is available to people of all ages from the Key Peninsula, Gig Harbor and South Kitsap areas. Testing usually takes about 15 minutes.

This service is part of a program sponsored by Mary Bridge Children's Hospital of Tacoma. For five years, members of the Hospital's Speech and Hearing Center staff planned and worked with community groups to develop the mobile speech, hearing and language van that will be coming to Key Center. The 26 foot van contains special sound proofing so that outside noises do not interfere with the accuracy of the testing. Hearing tests are done with the use of a "computer controlled micro-processor audiometer". Additionally, the van is equipped with a special wheelchair and gurney lift to assure that the services are available to the handicapped.

June 10 is also the next Child Health Assessment or Well Child Clinic at the Health Center. A visit to the hearing van could be combined with a "well child check up", an evaluation to assure that the child is developing and growing at a normal rate. Immunizations and treatment are also available at the Child Health Assessment Clinic. Additionally, the Health Center is able to provide camp, school and pre-employment physicals.

The Key Peninsula Health Center is a non profit corporation that is governed by a local board of concerned volunteers. It exists primarily on patient fees paid for services. Other support comes in the form of individual contributions, memorials, donations from service groups and the Angel Guild plus a grant from the Kellogg Foundation that will be exhausted on June 30. Additionally, one staff member is provided by the National Health Service Corps, a federal agency, one half time staff position is funded through the Senior Aide Program and one ten hour per week position is funded under the CETA youth program.

The Center has a standard fee schedule and patients may ask in advance what the charge will be for any service. The Center was founded on the concept of providing medical service to the community. No one is refused care if they are genuinely unable to pay for it. Each situation is considered individually, and special arrangements may be made provided they are completed before the patient is seen. The Center is able to accept direct payment from patients or to bill Pierce County Medical, Medicare or the Department of Social & Health Services. The Center is unable to bill other insurance carriers, since the accounting staff is not large enough to allow for this.

HEALTH CENTER WELCOMES NEW ADMINISTRATOR

The Key Peninsula Health Center welcomes new administrator Bonnie Loop. Her first day on the job at the clinic was May 4, 1980. During the latter part of April she attended a conference for the "administrators of Rural Primary Health Care Facilities" that was held in Atlanta Georgia. Bonnie said that the conference gave her an excellent chance to meet and exchange ideas with her peers.

Bonnie was born in Southern California but grew up in Washington State. She has been almost a life-long resident of Kitsap County. She and her husband David have been married for 20 years and have lived in Port Orchard since they were first married.

Bonnie graduated from Central Kitsap High School and Olympic College in Bremerton. She also attended Western Washington University in Bellingham and graduated with a degree in Sociology.

Bonnie's career has been primarily in the field of Social Services. Prior to coming to our Health Clinic she worked with the Kitsap Community Action Program in Bremerton for 10 years. She was the director of the agency for the last 7 years that she was with the Program. The agency dealt with programs to help low income people.

Bonnie has also been the Field Director for the Tacoma Campfire Girls Council. She was a Claims Service Advisor for an Insurance Company and a caseworker for D.S.H.S.

Bonnie is at the Health Center primarily on a full time basis Monday-Friday at the present time. She said that she is busy "getting her feet on the ground" and gaining a clear understanding of the present goals of the Health Center.

Future major issues for Bonnie to deal with include the Health Center's long term goal of becoming self-sufficient. Construction of the Library and Health Center building at Key Center is planned and all supplies and equipment will have to be furnished by the clinic. Plans have also been made to recruit and hire a full-time physician.

CURRENT RESIDENT -by C. Paul

Once upon a time people had names, the same as cats, dogs, horses, cows and even goats and chickens. Now we are numbers first, and names second. Mail order catalogs used to come to names. Now they are addressed to "Or Current Resident", even though you have lived right there for 40 years and have spent thousands of dollars at their store without a change of address.

The catalogs used to be sent, now they must be worked for. First so and so, "Or Current Resident" gets a card which may be traded for a catalog either by mail or at a company store. Once the catalog has been obtained and scrutinized carefully, we do not order from it. We wait for the "special" catalog that will come along later. Prices will be lower and may tempt one to place an order. Current Resident can now relax and start waiting and wondering when and by whom it will be delivered.

Believe it or not, packages from Seattle or Portland used to be in residents mail-box three days from the day the order was mailed. One company had the slogan, "In Less Than A Day, Your Orders On Its Way". It really was. Now we may wait until the order is a dim memory. We have probably seen a better buy in downtown Key Center anyway.

Speaking of names, we used to use them for identification, unless we were in jail. Today, current resident simply is not alive without his credit number, which must be verified by other numbers. He might pay cash, but could be suspected as a bank robber or counterfeiter, if he actually got to the store without being mugged.

Here is a suggestion that would simplify all the problems that bug resident. Maybe it is a winning idea for our next president.

Effective on the day of his election, every U.S. citizen shall have his Social Security number tattooed on his forehead in magnetic ink. With the magic number in plain sight, names would be superfluous. The clerk would just wave a scanner across our faces and the naked truth would printout in green ink. Instant credit or call the cops. A great timesaver!

PRIZED PHOTOS? -by Thomas DeVine

Well, you've got those prints back from the drug store, now what? For some of you, they will be sent to relatives to let them know how life is progressing here on the Peninsula. Others of us will look and praise, for a few days, these photographic marvels. Then, what to do with them?

Your prized photos will probably get stuffed into drawers or boxes with other pictures only to be lost, possibly destroyed or forgotten.

The life of today's prints is quite long and will last a good many years if properly cared for.

Here are some helpful hints to help you get the most enjoyment from your photographs.

1. Don't mount the surface of the print directly against any surface unless your photo has a protective matt spray. Mounting a non-matted print directly on glass may cause the print to adhere to the surface, destroying the print when it is removed.
2. Frames aren't the only way to display your pictures. Mounting in folders or on colored backgrounds is extremely effective to enhance your masterpieces.
3. Remember, don't use common household glues to mount your prints. The chemicals in the glue and in the photographic papers will mix and cause discolorations. This also applies to tapes. Photo dealers have special adhesives at very low cost for mounting your prints.

Remember also, once you thought enough of the subject to take a picture of it. Now, tell the world about it by displaying those photos.

SMILE!!

REALTORS OPINION -by Mike Strange

Shorewood Realty

State usury laws on some types of loans have been lifted. Up until recently the maximum interest allowable was 12%. When President Carter signed a bill on March 31, 1980 the law affected all institutions that have federally insured deposits. The institutions affected could include banks, Savings and Loan Associations, mortgage brokers and credit union.

The lifting of the usury ceilings applies only to first mortgages on residential real property and manufactured homes. It does not apply to real estate contract sales.

In response to a recent inquiry: A quit claim deed is normally used to clear an error in a legal description, pass interest in property between relatives or dispose of property involved in the dissolving of a marriage or partnership. This type of deed transfers whatever rights, if any, the individual has in the property.

SPECIAL THANKS

Mary Murdach has returned to her Lakebay home after several months in a Bremerton nursing home where she was recuperating from a broken hip.

She wants to express the warmest of thanks to her faithful neighbors and good friends who extended many kindnesses to her during her convalescence. She wishes special thanks to Rev. Ed Wagner of the Key Peninsula Lutheran Church.

Nimrick's Westward Ho Ranch for girls opens its 1980 season on June 29 with weekly sessions following on July 6, 13, 20, 27 and August 3, 10 and 17. It is designed especially for girls who love horses.

Their program of horsemanship includes care, grooming, and feeding in addition to basic riding. Each girl will be assigned to her own horse and tack, making it possible for her to learn responsibility under supervision.

Additional activities include swimming, hiking, crafts in the natural setting in the Minter area. The weekly fee is \$173.25. For information or reservations, call 857-2625

SQUARE DANCE

The Skirts-N-Flirts Square Dance Club had a great time putting on demonstration dancing at Stroh's Field as part of the Rotary Fair May 17th. Their caller John Beck, gave us quite a work out among the scotch broom stubble, tire ruts and stray rocks. Even though everyone in the audience didn't want to participate they couldn't resist tapping their toes to the lively music provided by the Clover Blossom String Band.

They would like to extend an invitation to all dancers to come to the June 21st dance. All proceeds from this dance will be donated to the Poulsbo Clubs to help them rebuild their Bredidablick Hall which was destroyed by a freak fire last month.

The last regular meeting of this season will be held on June 12 in the Minter home of Mrs. Bryant Stoddard. Co-hostesses for the noon luncheon are MRS. Sanderson Rice and MRS. Harry Middleton.

Newly elected officers for next year are MRS. Ned Richards, President; Mrs. Carlos Keasler, Vice-President; MRS. Coleman Anderson, Secretary; Mrs. Sanderson Rice, Treasurer. Plans will be made for an August family picnic.

KEY PENINSULA SENIORS

Senior Citizens are invited to participate in the Nutrition Workshop every 2nd and 4th Tuesday at the Long-branch Church Fellowship Hall. Anne Engelsen, Sr. Center Coordinator, has planned the following lunches to prepare and enjoy, at noon: On June 10th, Swedish Ham Balls, Green Beans, and a Rhubarb Dessert. On June 27th, South Seas Beef, and a Raspberry Poke Cake. We hope you can come and enjoy the fellowship and lunch for the two hours. Call Margurite Bussard at 884-3771 or Jean Humphreys at 884-3716 if you wish more information.

CLUB NEWS

COOTIETTES

The newly elected officers for PennAnts #609 were installed in usual form in the Gold Room of the Key Peninsula Civic Center. Those elected were C.G.B. Cora Lee Harriman, B.L. Ellen Danelski, L.L. Mary Seidman, P.L. Marie Schwenka, Hospital Chairman Ann Sutton, Asst. Ellen Danelski, Coverette Bonnie Barr, Asst. Doris Kezele, S.K. Hazel Fenton, Scratcher Judy Wilson, T.W.#1 Erma Kelly, T.W.#2 Jane VanSlyke, T.W.#3 Coretta Van Antwerp, Ink Slinger Nat Knox, Ivory Louse Daisy-Mae Harfst, R.L. Mavis Zacek, L.H. Teresa Hendrickson, Membership Opal Ingram and W-5 Publicity Daisy-Mae Harfst.

Nits and Officers have been busy working and visiting nursing homes and hospitals. On March 6th, Judy Wilson, Cora Harriman, Marie Schwenka, Mavis Zacek, Ellen Danelski, and Irene McVicker visited Cottesmore Nursing Home with cookies. While there they included a work party making flowers and corsages for future holidays. There will be two more work parties for this purpose on April 22 and 29th.

On March 25 the Naval Hospital in Bremerton was visited by six Cootiettes taking fruit and juice to 48 and visiting 120 patients.

Attending this visit were Mary Kittelson, Cora Harriman, Alice Palmer, Selma Cornman, Judy Wilson and Ann Sutton. On Easter Sunday the Rocky Bay Nursing Home was visited by Mavis Zacek, Teresa Hendrickson, Alice Palmer and Cora Harriman taking Easter Candy, fruit and knitted chicken favors made by Opal Ingram.

April 16 found the PennAnts visiting both Rocky Bay and Cottesmore with 10 dozen cookies.

Eleven PennAnts served a 75th Birthday party for MR. Carl Culver of Gig Harbor on March 19th. The decorations of flowers on the tables, were beautiful and well received, along with the many kinds of finger foods, cake and punch. Due to a power shortage we served coffee later.

Jane Iverson has been elected Grand Grayback of the State for the coming year. While at the Crawl in Ellensburg the PennAnts received 1st place awards for our hospital work, Coverette, publicity and the entertainment skit.

Any money received is put into the hospital fund for visitations and gifts for the elderly, fruits, punch and candies for the special days.

The Annual Birthday Party will be held at the Belfair Cafe on May 15th with Happy Hour at 6:30 and followed by the banquet.

We were happy to welcome home May MacKersie who has been away for the past eight years visiting Canada, parts of the U.S., Alaska and Scotland.

The next regular meeting will be held at the Key Peninsula Civic Center on June 19th.

KEY PENINSULA SPORTSMEN'S CLUB CALENDAR OF EVENTS

June 7-Card Party, 7:30 PM
June 12-Regular meeting and Dinner, 6:30 PM
June 27-Pot-luck dinner and Game Night, 6:30 PM

ASHES

The Ashes will meet June 5th at Station 2 in Key Center. There will be a demonstration on making silk flowers.

The Ashes would like to thank all the people who helped with the Blood Bank and the Rabies Clinic.

PENINSULA NEIGHBORS

The Peninsula Neighbors will have their Annual Potluck Picnic at Penrose Park on June 11th. Hostesses are Arvilla Merchant and Ann Whalen.

BAYSHORE GARDEN CLUB

The newly installed officers of the Bayshore Garden Club are: Ghida Hurt, President; and Ruby Hatch, Vice-President. Several members of the Club participated at the "Paris in the Spring" Capitol District Flower Show and earned many ribbons for their arrangements. On June 20th members will tour some of their own gardens, emphasis will be on iris. They will begin at 1:00 PM at Valda Young's, then to Ruby Hatch's, on to Alice Johnson's, ending at Evelyn Movall's for refreshments, hosted by Helen Tracy and Rena Spencer.

KEY PENINSULA SERVICE OFFICE AND SENIOR SOCIETY

KEY PENINSULA CIVIC CENTER

VAUGHN, WA. (98394)

884-4440

SHIRLEY N. SORENSON, COORDINATOR

----- CLIP AND SAVE THIS PAGE FOR FUTURE REFERENCE -----

SERVICE OFFICE

Many K.P. senior and low-income families will have local services which were previously available only by costly travel to Gig Harbor or Tacoma. The Pierce County Community Action Agency and K.P. Senior Society have opened an office in the Civic Center, Vaughn. The office is serviced by senior aides and volunteers from Longbranch to Purdy.

The near-term goal of the services is to take applications for energy-saving and minor home repair programs prior to June 25. Priority will be given to seniors over 60.

A winterizing program has the intent of reducing demands on the U.S. energy supply of oil and electricity. It also reduces the heating bills of participants.

Following are guidelines and coverages for each program:

WINTERIZING: Insulation, storm windows, weaterstripping, window repair, skirting, pipe wrapping, minor furnace repair, roof repair, (not new roof), and door repair.

ELIGIBILITY: One person, \$395/mo. and assets under \$10,000; two people, \$522/mo. and assets under \$15,000. Assets are those which are liquid-cash, stocks, bonds, etc. and do not include home, cars, etc.

MINOR HOME REPAIR: Minor repair to roof, windows, doors, plumbing, electrical, floors, steps, and problems that affect health or safety.

ELIGIBILITY: Seniors 60 years or older. Income for seniors may exceed those shown above; however they must pay a percentage of the wholesale cost of material. There is no charge for labor.

ENERGY CRISIS ASSISTANCE: Unpaid heating bills. Paid only directly to fuel or electric supplier on their confirmation.

For application for any program contact the K.P. Service Office or any one of the Senior Aides or volunteers listed below.

K.P. SENIOR AIDES AND VOLUNTEERS
Longbranch: Jean Humphreys 884-3716
Lakebay: Winnie Smith 884-2067
Home: Willa Mae Hawkins 884-3839
Vaughn/R. Bay: Evalyn Boothe 884-3619

Dora Heinrich, 884-3388

For appointment, call the K.P. Service Office at 884-4440 or one of the above. All interviews are confidential.

SENIOR SOCIETY

MEETS EVERY THURSDAY AT 12 NOON FOR POTLUCK AT THE KEY PENINSULA CIVIC CENTER, VAUGHN. SEE CALENDAR BACK PAGE FOR EXCEPTIONS OR CALL THE OFFICE AT 884-4440.

The K.P. Senior Society handles senior problems and needs. Several services have been established, and numerous programs are being projected for the future. Filing is being made for incorporation as a non-profit organization.

Free lunches are scheduled for the first Thursday of each month, and potlucks other Thursdays are always popular. The summer meetings will often be potluck picnics at member homes or at local parks. There is always entertainment from music and singing to cards and Cora Chase's "keep young" exercises. Cora is 82 years young and can run circles around many half her age!

The K.P. Senior Society has met weekly for the past eight months, and it has been completely self-supporting. With the opening of the Pierce County Community Action Service Office at Vaughn, the Senior Society also has an "anchorage" which will benefit all seniors and handicapped.

Winterization and Minor Home Repair programs which have been mandated by Congress, the Legislature, and the Pierce County Commissioners, will be handled from the Vaughn office, and inquiries from seniors are welcomed. These programs are explained in the above article on the K.P. Service Office.

The Society now has free legal services, health and other insurance evaluation, energy-saving advice, and health care scans. Other programs including CPR, (cardio pulmonary resuscitation) classes, nutrition, consumer cautions-some on local level- and available discounts are in the near future.

A "bit down the road" may be a food bank, senior gleaners (for harvesting crops on K.P. which have been wasted), cooperative food purchasing, a work-less community garden, ---and a senior center building! (We already have a pool table to be contributed, a hobby bench, tools, and some furniture, antiques, and pictures)--we only need a building.

There are no dues for membership, and all seniors and handicapped are welcomed. For those needing transport or who wish to pool-drive, arrangements can be made.

With any problem or questions call the K.P. Service/Senior office at 884-4440 or one of the Senior Aides or volunteers listed under Service Office article above.

SELF-ADMINISTERED RESUSCITATION The lives of heart attack victims who collapse in public can often be saved by onlookers who know how to give cardiopulmonary resuscitation. Without this, permanent brain damage or death will result in 4-6 minutes.

Those who have a heart attack when alone are in much greater danger. Without help, the person whose heart stops beating properly and who begins to feel faint, has only about 10 seconds left before he loses consciousness.

According to "Emergency Medicine", such victims can help themselves by coughing repeatedly. A very deep breath must be taken before each cough and the cough must be strong and prolonged, as in producing sputum from deep inside the chest.

A breath and a cough must be repeated every 1 to 2 seconds without let up until help arrives or until the heart is again felt to be beating normally.

Deep breaths get oxygen into the lungs and the coughing movements squeeze the heart and keep the blood circulating. In this way, heart attack victims can get to a phone and, between breaths, call for help.
